Hotel Information

Dear colleagues, we have chosen only one hotel named „Bosna“. We consider it's the best choice from several reasons. Hotel „Bosna“ is the most comfortable hotel located in the city center as well as it have provided price discount of 20 percent. Other hotels in the center have similar prices, but not same comfort, while the hotels in periphery are cheaper, but we don't consider it would be appropriate for your accommodation. In addition, we are planning to have the first day dinner in the luxury restaurant located in recommended hotel.

Our comments and recommendations:

According to time table there is very good connection from Zurich: arrival in late Sunday time (20:20), and departures on Wednesday at (08:40). If you need connected flight, also Belgrade offers good and inexpensive connection.

If none of these two options fits to you, alternative is landing to Zagreb airport and we will organized your transport to Banja Luka by car. You are kindly asked to pay attention to don't choose night arrival if it is possible. Zagreb is 200 km away from Banja Luka and connected by highway (one and a half hour to Banja Luka).

By car:

If you come by car from the west it's best to choose the highway Ljubljana – Zagreb, turn to Banja Luka at **Okučani**, border crossing Gradiška, and then highway Gradiška-Banja Luka (54 km).

If you are coming by car from the east it's best to choose the highway Skopje – Niš – Belgrade – direction Zagreb, and turn to Banja Luka at **Okučani**, border crossing Gradiška, and then highway Gradiška-Banja Luka (54 km).
